

**Re: Plumber/Pipefitter, or Service Plumber**

To Whom It May Concern:

I am known for exceptional interpersonal, comprehension, and communication skills to ensure that the organization's mission, vision, and policies are fulfilled. I am writing to express my interest in the position of a Plumber with your company. With a track record and commitment to safe procedures and encouraging a safe work environment, a perfect attendance record, hard working, conscientious, with good physical fitness, dependable and punctual, I believe that I would bring a valuable set of skills to your organization.

If you are looking for a plumber with operational integrity, and outstanding analytical skills, who is motivated to demonstrate ability and inspire, and who can increase workplace efficiency and with experience in plumbing operations and preventive maintenance, I strongly suggest we meet in person to talk about the service I can deliver to your organization.

I am very versatile and adaptive to different situations. I possess knowledge in plumbing layouts and codes, repair and maintenance, and plumbing analysis and practices, as well as the ability interpret blueprints, sketches, charts, and other instructions.

Tech-savvy, with impeccable customer and employee relations skills I learn and adapt quickly. In addition to my theoretical training and professional development, I have acquired practical experience over the past several years. Most recently, my responsibilities as a Plumber and a Pipefitter match the qualifications you are seeking in a successful candidate. My tasks included hydronic system design and install. Senior leadership also relied on my ability hydronic heating systems and strong understanding.

I possess an innate aptitude to move effortlessly through and readily adapt to ever changing environments and technologies. I am very much looking forward to integrating myself into your organization. I have enclosed my resume and will gladly provide any other supporting documents. Thank you for your consideration and I look forward to hearing from you.

Sincerely,

***Joe Pimentel***
